VOL. XLIII. UPLAND, CALIFORNIA, TUESDAY, AUGUST 17, 1937 NO. 32

COUNTY TAX RATE RAISED 26 CENTS AS FIGURE IS SET

$1.50 Rate Fixed by County Supervisors; Flood Levy Reduced

Rate of $1.50 for each $100 of assessed valuation was fixed by the county board of supervisors yesterday as the 1937-38 tax rate and this figure is scheduled to raise $1,975,132. The tax rate last year was $1.24. The increase of 26 cents is due largely to the mounting costs of the relief bill.

A reduction was made in the special levy for water conservation and flood control, the rate being 7 cents instead of 10 cents as previously planned. The supervisors sought to keep the tax rate not over $1.50 and in order to hit that figure the special flood levy was reduced. As the result of a request from the county farm bureau officials and others the supervisors had previously decided on a 10-cent levy for the flood control project.

Total of the new county budget is $3,741,132 as compared with $3,015,932 a year ago.

Contributions by the federal and state governments for old age and other relief expenses and various receipts from other sources will account for an income of $1,766,000. This figure plus the $1,975,132 which will be raised by taxes makes the budget total.

Principal funds in the budget follow: general, $508,279; old age, $363,056; salary, $520,381; highway bonds, $93,184; hospital bonds, $9,681; inducing immigration, $6,051 and county library, $33,258.

Among the major relief items are the following: county aid for indigents, $295,250 as compared with $115,563 last year; relief for old age, $1,600,000 as compared with $819,346 last year; relief for blind, $50,000 as compared with $23,647; relief for orphans, $70,000 as compared with $49,799.

Eight Farms With 311 Acres Signed For Soil Program

Eight farms in this district with 311 acres are under five-year cooperative agreements with the government in soil conservation projects. Establishment of the CCC soil conservation camp on Arrow highway is in connection with the cooperative work.

Throughout the state are 668 farms with an area of 72,688 acres under the soil conservation cooperative agreement. The agreements are in the nature of contracts between the United States and the land owner and operator of the land.

This county's total of farms in the agreement is the lowest of any county in the state. As the tree-planting program and other projects are started here, however, additional farm owners will be signed up.

Curb Repair Project Given Approval and Work To Start Soon

Curbs on many of the Upland streets will be repaired as a WPA project being given final approval by President Roosevelt. Richard G. Manley, city service manager, said that the city officials had been awaiting final approval in order to start the project.

Curbs to be repaired include 1,000 feet on Euclid avenue, 200 feet on First avenue, 250 feet on Second avenue, 175 feet on Third avenue and also frontage on Fourth, Fifth, Sixth, Campus, Eighth, Ninth, Tenth, Eleventh and Twelfth avenues. Curbs will also be improved and repaired on many other residential streets.

Cost of the project will be $7,018 with the city providing $1,078.

20 Members of One Family Unite for Two Weeks Vacation

Twenty members of the W. F. Booth family vacationed together at a cabin in Camp Baldy during the last two weeks.

Mr. and Mrs. Booth, their one son and three daughters and their families were at the resort together for a rest and vacation period. Mr. Booth is proprietor of the 5-10-25c store here.

Mussell Resigns As District Attorney; Kavanaugh Named

Stanley Mussell

Stanley Mussell, who has served as district attorney for seven years, resigned from that position yesterday to enter private law practice in San Bernardino.

Jerome B. Kavanaugh, chief deputy district attorney, was appointed by the county supervisors to fill the unexpired term as district attorney. The term ends next year. Resignation of Mr. Mussell was accepted with deep regret by the supervisors.

Mr. Mussell, whose resignation is effective Sept. 1, will become a member of the law firm of Duckworth, Harrison & Mussell. Ben Harrison, who has been appointed United States district attorney, will be only a nominal member of the firm.

Mr. Kavanaugh is widely known in the Upland district, having appeared here on many occasions in connection with local cases.

GOV. MERRIAM IS INVITED TO COME

Chief Executive May Be Here For Armistice Day Celebration

That the Armistice Day celebration in the Chaffey district will be on a bigger scope than ever is indicated by the announcement that Governor Frank Merriam is being invited to attend. An invitation is being sent to the chief executive by the presidents of the chambers of commerce and the mayors of the cities in the Chaffey district and by Godfrey Andreas, assemblyman.

E. Miller Dietz, general chairman of the celebration committee, is leader in the movement to present an outstanding program on Nov. 11. A colorful, patriotic parade will be presented and this procession will include a float entered by the Ontario chapter of the Native daughters of the Golden West. This float will be in a pioneer parade at Santa Monica Sept. 19 and it will be held intact for the local celebration.

Request for More Highway Patrolmen Is Denied by Cato

Due to lack of funds, additional highway patrolmen will not be added to the force in this county.

Request for nine more men to direct traffic was requested of Raymond Cato, chief of the highway patrol. Nineteen men, including Captain Frank Freeman of Cucamonga and Lewis Kronmeyer of Upland, are members of the patrol at present.

Local Militiamen Back From Camp

Members of company G, local unit of the California National Guard, are home today from two weeks training at San Luis Obispo.

Intensive drilling in "war games" featured the annual encampment. Members of the company who reside in the Upland district follow: James P. Settle, corporal; Jack Pettit, Theodore Pettit, James M. Poole, Robert E. Cavener, Martin Davis, Elwin M. Engle, James W. Gore, Philip Martinez, Quinton G. Sargent and Walter C. Schultz.

UPLAND VISITED BY LEADERS OF FOREST SERVICE

Washington, D. C., Officials Commend Work and Note Value of Area

Two forestry officials from Washington, D. C., and three from San Francisco were among a party at the Red Hill lookout station yesterday on an inspection of the 18 national forests in the state.

The unique system of fire prevention and fire fighting in effect in Southern California is being inspected by the visitors. Fire spreads much more rapidly here than in other sections and it is necessary to locate the fire and to get the fire fighters on the spot immediately.

The visitors are also noting that the national forest offers two outstanding services—a watershed for the rich agricultural area and recreation for thousands of people.

In their survey, Earl W. Tinker, assistant chief of the United States forest service, and E. E. Carter, chief of timber management in the federal forest, are getting a close up of all phases of activity.

"Tremendous recreational use coupled with the water situation makes the adjacent mountains the most hazardous timberland section in the United States," Mr. Tinker said. "I feel that fire protection equipment and organization for the local forests are entirely inadequate despite the high degree of efficiency of the state forest service here.

"This forest does have a highly efficient fire protection setup. It will meet the normal conditions, but if you get the extreme conditions it is entirely inadequate."

Their inspection yesterday extended from San Bernardino to the San Dimas experimental forest with headquarters near Glendora. They visited the Red Hill lookout, in charge of C. C. Tindell, the home sites and camp grounds in the local canyons, Glenn ranch, Lytle creek, Stockton flats and Camp Baldy.

In the party besides M. Tinker and Mr. Carter of Washington, D. C., were J. H. Price, associate regional forester and C. B. Morse and W. I. Hutchison, assistant regional foresters of San Francisco; Frank A. Robinson and Claude Barker, assistant supervisors of the San Bernardino National forest, and Francis Cuttle, Riverside.

Meeting the group at the Red Hill lookout besides Mr. Tindell were A. C. Reynolds of the San Antonio Water Co. and John Klusman of the Cucamonga Water Co.

Joseph Simons Dies Suddenly of Heart Attack in Arcadia

Joseph Simons, Upland citrus grower for about nine years, died of a sudden heart attack Sunday night while sitting in his automobile in Arcadia, friends here learned this morning from an item in a Los Angeles newspaper.

Mr. and Mrs. Simons owned a grove at the corner of San Antonio avenue and seventeenth street, but sold the property about two years ago and moved to Imperial valley where they have large property interests.

According to their custom, they came to Los Angeles about a month ago to escape the heat of the valley and were residing at 841 West Santa Barbara avenue.

Mr. Simons is survived by his wife; one son, James Simons; a brother, Walter Simons, both of Los Angeles, and a sister, Mrs. Charles Fishbeck of Pasadena.

J. E. Pollocks Are Back From Midwest

Mr. and Mrs. J. E. Pollock, 667 First avenue, returned last week from a very pleasant five weeks of travel by train to Iowa, Illinois and Wisconsin.

Meeting their relatives and friends was very enjoyable but seeing the fine crops and jubilant attitude of the farmers throughout the middle west impressed the Uplanders. Harvesting in many of the places resulted in the biggest production records in years, Mrs. Pollock said. Prices, however, are low.

A happy reunion was held at Lexington, Ill., where Mrs. Pollock's brothers and their families united at their old home.

Ontario Seeks to Buy Site For Larger Civic Center; $1.10 Tax Rate Adopted

Condemnation proceedings are to be started by the city of Ontario to acquire the only remaining portion of the city hall block not owned by the municipality.

Steps were taken at the council meeting last night to acquire the property at Euclid avenue and Transit street. The building housing a furniture store and the office o fthe American Express Co., would be razed. Removal of this building would clear the view from the new Ontario city hall on to Transit street and would provide one full block for the civic center.

The business property sought by Ontario is owned by Mrs. Harriet Gray, and she and her son, Nelson Gray, are named in the condemnation complaint.

The Ontario tax rate was set at $1.10 for each $100 valuation by the councilmen. This is the same rate as last year. This rate will raise $95,700 in taxes. The assessed valuation for Ontario is $9,545,600.

The Ontario chamber of commerce was given $500 with which to place an entry in the Los Angeles county fair and the National Orange show. Vernon Pittenger, chairman of the exhibits committee, requested the money.

Sale of grapes grown on the Ontario city farm at $15 a ton was approved. The city will get 20 per cent of the returns, 80 per cent going to the tenants. About 300 tons of grapes will be marketed.

Two power lawn mowers were purchased at a cost of $968.89. Austin W. Burt, city manager, was authorized to attend the state convention of the California League of Municipalities. Nine chairs for the council chamber in the Ontario city hall were purchased at a cost of $500.

PEDESTRIAN HIT BY SPEEDING CAR

Aqueduct Worker at Hospital And Driver Held for Recklessness

One of the most serious pedestrian-automobile accidents occuring in this district for many months put Walter Libby, aqueduct employe, in the San Antonio Community hospital with a fractured rght arm, possible fracture of the spine and numerous cuts and bruises.

Miss Florence Kohler, Los Angeles, driver of the car which struck Libby yesterday morning, was charged with reckless driving. The accident occurred on Foothill boulevard at Hellman avenue where a crew is working on the thoroughfare. Libby was near a warning sign. Miss Kohler's machine struck the man and the sign and carried him 70 feet before he fell to the pavement. She was driving east. Her machine skidded 71 feet, then struck the man and continued 109 feet more before coming to a stop.

Libby's head struck the windshield. The shattered glass from this impact hit James E. Bedner, Omaha, Neb., who was in the rear seat of the Kohler machine. He was treated at the hospital for cuts about the face.

The dip south of the Southern Pacific tracks in Ontario on Sultana avenue was the scene of an accident Saturday. Mrs. N. H. Bigelow, Pasadena, suffered a fractured breastbone when the car in which she was riding struck the dip. The impact threw her against the top of the car.

This was the first accident involving a pedestrian in this district for many months. The driver is to be in Cucamonga court.

EIGHT IN JAIL AS HIGH MARK IS HIT

City's Bastile Almost Too Full As Week End Arrests Made

With eight persons in the Upland jail at one time over the week end, the highest population point in many months was reached. Intoxication was the charge that placed most of them there, although Lorena Camarillo, Guasti, was arrested for robbery in Cucamonga township. He was scheduled to be arraigned in Judge Sharp's court this afternoon.

Two men were sent to the county jail on intoxication charges while Riverside county authorities check the ownership of farm implements found in their car. The men, Frank Burks and Glenn McMullen, were unable to give a detailed account of their activities since Friday when they left Los Angeles.

Camarillo was discovered by Deputy Sheriff Jack Brown, Constable Sam Barker and Francis Johnson, board of equalization representative, lying on the ground near a residence it is alleged he had robbed a few minutes previous. The residence is on East A street, Ontario.

AIR CONDITIONING CONTRACT IS LET

Hospital Surgery and Other Rooms Will Be Improved Immediately

Marking a major improvement in San Antonio Community hospital will be the air conditioning and humidifying of the two surgery rooms and the air conditioning of several other rooms.

Contract for this work was let today. The improvement in the surgeries will be a safeguard to the patients, in that the humidification will prevent explosions. Air conditioning will include the labor, delivery and emergency rooms and the X-ray and laboratory.

Air conditioning is rapidly becoming popular due to the control that is possible over weather conditions. This improvement will be especially welcome by the hospital patients and it will further place the local institution as outstanding in offering comfort and care.

Work is almost finished on the new laboratory addition. The structure, built of glass blocks, has many unique features.

Picnic Supper to Be Held Thursday By I.O.O.F. Lodge

Many members of Euclid lodge, I. O. O. F. are planning to attend the annual social meeting to be held Thursday evening, Aug. 19, at the home of John Swoap in Cucamonga.

A picnic supper will be held in the garden, which is equipped with a grill, tables, etc., and later in the evening a program of varied numbers will be presented and card games will be arranged for those who desire to play.

CITY WILL ACT ON FINANCIAL AFFAIRS

Tax Rate May Be Set As Budget Adopted; Valuation Is Known

With the Upland city budget for 1937-38 having been adopted at $83,357, and with the city's assessed valuation having been fixed at $5,249,350, Upland city councilmen are scheduled to set the tax rate at their meeting Thursday night.

Indications are the rate will be about the same as last year—$1.15 for each $100 assessed valuation.

The city budget is slightly higher than last year but general increase in the city revenue is expected to make unnecessary an increase in the tax rate.

W. J. Hooper, an attorney of Gregory, S. Dak., arrived Monday and is the guest of his son-in-law and daughter, Mr. and Mrs. Hjalmar Anderson. He also is enjoying an opportunity to visit with two other daughters, Dr. Helen Hooper of Newton, Mass., and Mrs. Helen Browning of Hollywood. Mrs. Browning will leave in a few days for Gregory, S. Dak., where she expects to make her permanent home.

LOCAL WOMAN SAFE IN CHINA, BELIEF, AS WORD AWAITED

Mrs. Mary Von Sten Schmid Among Those in Narrow Escape

That Mrs. Theodor Schmid, the former Mary Von Stein of Upland, is still unharmed by the war now raging in Shanghai between Chinese and Japanese forces, is the assurance gleaned from news dispatches Sunday giving a brief interview with Mr. Schmid's daughter, Miss Ellen Louise Schmid, who makes her home with Mr. and Mrs. Schmid in the International Settlement in Shanghai.

Although Mrs. Schmid's parents, Mr. and Mrs. Geo. P. Von Stein of 157 North Euclid avenue, still are anxiously awaiting a cablegram from their daughter, they feel assured of her safety, as no further casualties among Americans have been reported since the tragic bombing and shelling of the city Saturday.

The News dispatches Sunday stated that Miss Ellen Louise Schmid and her mother, Mrs. Theodor Schmid, stood on the roof of the Cathay hotel, a towering structure in the center of the Settlement, and watched the wholesale death and terror that spread over Shanghai.

They saw Chinese aviators bomb a Japanese warship, the explosions causing deafening detonations and blinding flashes of flame.

Other bombs were dropped nearer by, two damaging the Cathay hotel, as later dispatches disclosed.

Mr. Schmid, a prominent cotton importer in Shanghai, recently erected a handsome home on the outskirts of the International Settlement, a half hour's drive from the present scene of fighting and in a letter recently received by Mr. and Mrs. Von Stein, Mrs. Schmid told of the merry housewarming party held on July 25.

Mr. and Mrs. Von Stein feel assured that the Schmid home is in a comparatively safe location, so long as the battle centers on Shanghai.

Just why Mrs. Schmid and her daughter were down town in the Cathay hotel, in the thick of the fighting is, of course, not known.

All foreign women and children have been ordered out of the International Settlement, but Mr. and Mrs. Von Stein do not believe Mrs. Schmid, who considers Shanghai her permanent home, will be willing to leave.

Native Daughters Given $50 for Float

Fifty dollars was given by the Ontario city council toward the float to be entered from this district in the annual parade of the Native Sons and Daughters of the Golden West. The local entry, made by the Ontario chapter of Native Daughters, will depict the Madonna of the Trail monument.

John Bodkin, Los Angeles, was spokesman for the local chapter at the council meeting. Mrs. Charles Tucker, president-elect; Mrs. Nelson Van Fleet, retiring president, and Mrs. Horace Pierce were also at the meeting.

Science Building Razing Completed

Razing of the science building on the Chaffey campus was completed today and WPA workmen turned their attention toward tearing down the old auditorium building. This structure, condemned many months, is just west of the science building site.

A new high school building will go up on that site and final approval of a WPA project is expected next month.

Councilman Wilson Confined at Home

V. H. Wilson, Upland city councilman, is confined to his home, 677 Euclid avenue, with illness.

While he is remaining quiet, under the doctor's orders, it is likely he will be able to be up before long. Mr. and Mrs. Wilson returned recently from an enjoyable vacation trip during which time they rested and Mr. Wilson is in excellent physical condition.

Fred Anderson Is Ill First Time in Years, He Recalls

Ill for the first time in many years, J. Fred Anderson hopes to be out soon, but he "doesn't know."

"It is all up to the doctor," the veteran horticultural inspector added. "If my heart can stand it, he may operate on me pretty soon. It's my heart that got me down but an examination showed there are other complications. So I don't know what's going to happen.

At his home, 466 Campus avenue, Mr. Anderson Saturday afternoon visited with a caller and pointed out that "this is the first time I can remember of letting something get me down."

Alta Loma Aviator Going to China As Teacher of Flying

Dangers that may come to those in the Chinese war zone hold no terror for Leo Cherymism of Alta Loma, who is today preparing to leave for the Orient. He recently returned to the home of his parents, Mr. and Mrs. John Cherymism from Langley, Va., where he had received training as an army aviator.

Mr. Cherymism was in Los Angeles today relative to preparations for his departure and he could not be located for a report as to his plans. It is understood, however, that he has a position in the Orient as an aviation instructor. He is a former Chaffey student and is widely known in the Alta Loma-Cucamonga area.

SANFORD TELLS OF EUROPEAN JOURNEY

Retired Banker of Ontario Dwells Particularly on Contrast in Customs

Joe Sanford, retired banker of Ontario, who with Mrs. Sanford recently returned from a tour of Europe, gave a most interesting narration of customs in those countries in contrast with those in America, addressing the Upland Rotary club at the Upland Inn today noon.

The meeting was presided over by Neil Hickcox, club president, and Harlow S. Wilson was program chairman and presented the speaker.

Mr. Sanford's narration showed decided contrast between hotels and hotel service in Europe and this country. However, our music and customs are copied to a very great extent in some countries. In Italy, said Mr. Sanford, merchants come out on the street to solicit patronage of passersby, while in Germany they are much more reserved when patrons come in. Also in Germany the meat markets make a specialty of horse meat, this being declared to be the choicest meat to be had.

In some European countries small specialty shops are the thing rather than large stores. In Budapest the tourists found peeled oranges for sale as well as those with the peel on—and the peeled oranges were cheaper for the reason marmalade is made of the skins. In Scotland, said the speaker, the police ride bikes—and carry no guns.

These and many other interesting observations made Mr. Sanford's talk decidedly informative.

Nortons To Leave on Vacation Trip Soon

R. C. Norton, manager of the Upland branch, Bank of America, will have his annual vacation of two weeks beginning the latter part of this week and he and Mrs. Norton expect to leave Sunday or Monday by auto on a pleasure trip that will include Zion, Bryce Canyon and Yelowstone national parks.

Frank K. Nichols, assistant manager of the bank, has returned from his two weeks vacation spent with Mrs. Nichols and their son Bobbie at Balboa. The latter two will remain at Balboa during the remainder of August.

Mr. and Mrs. Keith Petch, whose home is in Los Angeles, are the parents of a daughter born Sunday at the San Antonio Community hospital. Grandparents of the new girl are residents of Ontario.

CITY IN LINE FOR POSTAL BUILDING SHEPPARD SAYS

Upland Omitted in Dispatch From Washington But Letter Is on File

Either the name of Upland was omitted through error or for some other reason, but this city was not included in the list of communities in line for new post offices in an announcement from Washington yesterday.

Previously, Congressman Harry R. Sheppard had given the assurance that Upland was among eight of the cities in this Congressional district that were on the recommended list. The situation is being investigated by the Upland chamber of commerce.

Fontana and Chino were listed as being placed on the recommended list. This announcement does not mean the buildings will be erected, the cities being placed only on the list of possible post office sites. The postoffice department will select the building projects to be actually undertaken.

If Upland is not on the recommended list, however, there is no possibility of immediate construction of a federal building. In an announcement of recommended cities more than a year ago, Upland was listed.

Officials at Washington, D. C., have been advised from time to time of the rapid increase in the postal business here, and of the general trend in construction of new buildings, such as packing houses, the new Santa Fe station and the new office of the Ontario-Cucamonga Fruit Exchange.

Fontana was listed as being in line for a $75,000 federal building and Chino's proposed post office was listed as a $70,000 structure.

As recent as June 3 Congressman Sheppard assured the local chamber officials in a letter that "Upland is on the list of cities recommended for a new federal building but the money has not been appropriated for that specific building as yet."

Due to this and other correspondence it is generally believed that Upland is still on the list of recommended cities, and that the new list is perhaps an addition to the list of possible federal building sites.

Euclid, Foothill Property to Remain As Grove for Year

The property at oothill boulevard and Euclid avenue recently sold to the Ohio National Life Insurance Co. will not be placed on the market as a subdivision for at least a year, the Upland chamber of commerce was advised today.

Inquiries had been received from local people relative to the possibility of buying home sites in the tract. The chamber contacted the new owners with the word coming that no plans have been made for a subdivision for at least a year.

The property, consisting of 19 acres, was recently sold by Philip B. White and Hale P. Powers.

Covering of Open Culvert on Euclid Is Being Sought

Effort is being made by the city of Upland to get the Santa Fe railway to improve the open culverts at Euclid avenue and the right-of-way.

Upland has written to the rail officials concerning the improvement, but no word has been received, it was reported today. The open culverts are a menace to pedestrians and motorists, George Eyer told the city council in a recent meeting.

Alta Loma Firemen Order New Chassis

A new chassis for a fire truck has been ordered by the Alta Loma fire department.

On its arrival all the fire fighting equipment on the present truck will be transferred to the new chassis. This change will give the department a more powerful machine to cover the wide area in fighting fires. Arthur Allen is chief of the department.

Politics Pays—But Who?

The governor of California receives a salary of $10,000 per year—$40,000 for his four-year term, plus certain perquisites of the office which bring the grand total to about $60,000.

But candidates for governor, next year, will spend more than a cool million (with the aid of their campaign organizations) battling for the job!

Being No. 1 Man in California costs real money. And gubernatorial campaign costs have more than doubled in the last few years, writes Clem Whitaker, political observer.

Here's a snap estimate—leaning to the side of conservatism—on probable campaign expenditures in California's 1938 governorship tilt:

Primary election—two major Democratic candidates ($150,000 each), $300,000; minor Democratic candidates (four or five), $150,000; two major Republican candidates ($150,000 each), $300,000; minor Rebpublican candidates (one or two), $50,000.

General election—Democratic nominee, $200,000; Republican nominee, $$200,000; Third Party nominee, $75,000.

Grand total, $1,275,000.

Until Sinclair—zealot, master propagandist and superb showman—bobbed onto the scene, governorship campaigns in California were comparatively conservative, costing everyone concerned not more than $300,000. One governor was even elected a few years back for the nominal sum of $75,000.

But Upton Sinclair, whipping his followers into a political frenzy which made old-timers gasp in sheer admiration, changed all that. Running as the poor man's candidate, chiding the "malefactors of great wealth" and promising to end poverty in California, he brought more campaign dollars rolling into headquarters than any other candidate ever had attracted in the state's history.

And except for the fact that the sponsors of Governor Frank Finley Merriam doubled all bets—piling up a bigger fund than even the amazing Sinclair could amass—Sinclair might have been governor. It was a prodigious campaign, costing probably $2,000,000, if the war chests of both camps had been totaled.

Since that date, California politics has never been the same. But there are other reasons for mounting campaign costs. In olden days, the Republican nomination was tantamount to election. In the present era, the run-off at the general election is more hazardous and more expensive than the inter-party fights at the primary.

Reaping Results of Reducing Hog Supply

The country is now paying for the Roosevelt administration plan of cutting down the supply of hogs a very few short years ago. As the result a vast number of people cannot buy as much meat as they would like to—nor of the quality they prefer. And from present indications it is going to be several years before there will be anything like a normal supply of hogs. The San Bernardino Sun comments on the foolishness of the forced reduction in hog production:

"'I am ashamed to quote the prices of meat to most of the persons who come into my store,' said the butcher, 'for I know they can not afford to buy what they would like.'

"Then along comes a dispatch from Chicago with its declaration that there 'is no immediate relief in sight for consumers.' These latter, it is asserted, 'may expect meat prices to go higher and higher for many months because it will take farmers a long time to readjust their production programs and get back to their normal schedule of producing meat animals.'

"And incidentally it will interest many to learn that importations of pork have jumped since 1934 from approximately 1½ million pounds to more than ten million pounds in 1935 and to 41 millions in 1936 and to an even greater rate this year.

"All of which takes us back in thought to that grand period when the present administration was so concerned about the low prices of meat that it deliberately reduced what it considered the excessive supply of breeding animals by indiscriminate slaughter. Thus was the abundant life to be promoted.

"And look at us now!"

It will not be easy to forget some of the immense sums that were paid for not raising hogs—for instance that one check of more than $150,000 which went to a concern not far from Upland—and this was by no means an exception. This same concern was paid much more than that amount—and there were other firms throughout the country who received vast sums for cutting down on their hog production. One of the very bad features of the plan was that too much of the cash went to firms that were not bona fide farmers.

Neither was the curtailment of production limited to hogs. It included cattle, sheep, various kinds of grain and other agricultural products. And the country has been faced with a shortage in them for several years—with the resultant unreasonably high prices. This should be a valuable lesson to any who may have the idea they can regulate the supply of commodities—agricultural or others—and keep prices normal. It can't be done—there are bound to be years when shortages occur and other years when there is an unusually large production. Perhaps if one could control the weather and rainfall mere man might be able to do a better job than in the past—but up to this time the plan of crop control has been a miserable failure.

—o—

According to Fred Rolens, publisher of the South Pasadena Foothill Review, "If you are happy to get home your vacation has been a success." In demonstrating the appreciation some people have of the beautiful and magnificent he relates the following incident which occurred at the Grand Canyon: "On our first visit eleven years ago among the visitors (to the canyon) of the hour were a mother and daughter. They were affected by the altitude and walked slowly to the rim. They stood silent a minute and the mother said: 'Uh! Is this what we came all the way from Iowa to see.' Then brightening up she said: 'Look at the pretty red bird in that tree.' The daughter could not see it, so the mother led her to a different view and pointed. Still she could not see the red bird. Then she said: 'Ah, Mom, that's not a red bird. That's a Prince Albert tobacco can caught in the limbs'."

—o—

According to a psychiatrist, unmarried men are much more likely to go crazy. However, can't you think of a number of cases where they gave evidence of going crazy by what they married?

—o—

If one really has what the public wants it will be easy to find a market for it—if he advertises.

Notes of Society

San Antonio Chapter Is Represented at D. A. R. Meeting

Particularly interesting reports of progress being made by the Junior American Citizens clubs, sponsored by the Daughters of the American Revolution, were made during the garden tea held Friday at the Los Angeles home of Mrs. John Whittier Howe Hodge, state vice-regent of the California D. A. R.

San Antonio chapter was represented at the tea by Mrs. Carrol C. Hamilton of Alta Loma, regent, and Mrs. Frederick W. Wikoff of Upland.

Guest of honor and speaker was Miss Elizabeth Barnes of Washington, D. C., national vice-chairman of Junior American Citizens activities.

Miss Barnes discussed the great importance of the training of youth in good citizenship and told of the work now being accomplished. The National Society of D. A. R. now has listed 60,000 members in Junior American Citizens clubs, she stated, and it is hoped to add at least 15,000 more this year.

Mrs. Glenn L. Shivel, California state chairman of J. A. C. activities, announced she has been assured of the fullest cooperation of the California state board of education, which has given its hearty approval of the good citizenship work being done by the D. A. R.

Although the work is sponsored and carried on by the Daughters of the American Revolution through the various chapters, the Junior American Citizens clubs are open to all boys and girls and the clubs are being organized in many schools.

This year, besides teaching the principles of good citizenship, the clubs will emphasize a careful study of the constitution of the United States.

Local Friends Guests At Luncheon for Mrs. M. E. Hill

Mrs. Merton E. Hill, who has been residing with her family at the Hill cottage in Laguna since leaving Upland early in June, and who will move next week to her new home in Berkeley, was the guest of honor at a farewell luncheon given Friday by her daughter, Mrs. James Bean (Mary Hill) at her home in Alhambra.

Mrs. Bean is now residing in her beautiful new home, which the guests had the pleasure of inspecting.

Those having the privilege of being guests of Mrs. Bean and participating in the pleasant visit with Mrs. Hill, were Mrs. C. C. Perrin, Mrs. Walter W. Horak, Mrs. V. Wade Holden, Mrs. Jas. E. Goodban, Mrs. Jas. H. Paulin, Mrs. Florence W. Dundas, Mrs. E. A. Holt, all of Upland, and Mrs. Wallihan, sister of Mrs. Hill, of Claremont; also Mrs. Hill's daughter, Mrs. Albert Bean (Dorothy Hill) of Inglewood.

Dr. and Mrs. Hill and family expect to leave Laguna Monday for Berkeley.

Approaching Marriage Is Announced by Bride's Sister

Mr. and Mrs. Ancil H. Morris of Red Hill today made formal announcement of the engagement and approaching marriage of Mrs. Morris' sister, Miss Nadine Woodrow, and Dr. Cecil H. Eshelman. The wedding is to occur on Sunday afternoon, Sept. 5, at 4:30 in the Upland Methodist church.

The bride-elect, who has made her home with Mr. and Mrs. Morris for the past four years while attending Chaffey and later the Santa Barbara State Teachers college, is the daughter of Mr. and Mrs. C. M. Woodrow of Carthage, Mo.

Dr. Eshelman, the son of Mr. and Mrs. A. L. Eshelman of 660 East Arrow highway, is associated with Dr. O. A. Thompson.

Beach Party Enjoyed By Local Group

A pleasant beach party was enjoyed Sunday by a group of friends who left at an early hour and motored to Huntington Beach, where they enjoyed breakfast on the beach.

Later they drove to Newport and enjoyed a noonday chicken dinner, the remainder of the time being spent on the beach, where the water sports were enjoyed.

In the group were Mr. and Mrs. Homer Greear and daughter Jackie, Mr. and Mrs. Clarence Farrin and daughter Montie Joy, Mr. and Mrs. William Bowden and daughter Arlene, Mr. and Mrs. James Dean and daughter Darlene, Mr. and Mrs. Harry Griggs, Miss Nina Franklin and Layne Stagle.

Miss Ruth Galentine And Eugene E. Bean Exchange Vows

With the beautiful chapel of the picturesque old Church of Our Saviour in San Gabriel providing the setting, a wedding of much interest to many West End friends occurred at 5 o'clock Saturday afternoon when Miss Ruth Dexter Galentine, daughter of Mrs. Ada W. Galentine of 520 North Laurel avenue, Upland, and the late Walter B. Galentine, became the bride of Eugene E. Bean, Jr., of Alhambra.

The marriage service was read by Dr. John R. Atwill, Episcopal rector of the church, in the presence of some 200 guests.

Magnolia leaves filled the window boxes of the church, and large bouquets of white gladioli and white larkspur, with greenery, decorated the altar. On the organ were white asters and larkspur. Illumination for the charming scene was provided by two tall candelabra, each bearihg seven gleaming white candles.

Preceding the ceremony, Arnold Richardson, in a half hour of organ music played "Liebestraum" (Kreisler), "Ave Marie," "Drink to Me Only With Thine Eyes," "Love's Old Sweet Song," and "Calm Is the Night."

The bride, who was given in marriage by her brother, W. Wheaton Galentine, was lovely in a gown of white net over white taffeta, made floor-length with widely flared skirt. The jacket was fastened with small gold buckles worn by the bride's grandmother at her wedding. Her short circular veil was held in place by a wreath of orange blossoms. She wore a blue enamel and gold locket, and carried a colonial bouquet of white roses, gardenias, and white sweet peas.

Mrs. Melvin V. Kaltenbach (Dorothy Shingler)of Arcadia, matron of honor and the bride's only attendant, wore a frock of peach shadow-printed organza, made in old-fashioned style with square neck and puffed sleeves. Her halo hat was of the same material, and she carried a colonial bouquet of Talisman roses, pink sweet peas and blue delphinium. She wore a gold locket, a gift from the bride.

E. Robert Atwill of Bakersfield, brother-in-law of the groom, served as best man; and the ushers were Richard L. Geer of Pasadena, Melvin V. Kaltenbach of Arcadia, Robert Pursell and Gilbert W. Fletcher, of Alhambra.

Following an informal reception in the church patio, members of the bridal party and relatives of the bride and bridegroom were entertained at a wedding supper at the home of the bridegroom's parents, 611 North Granada avenue, Alhambra. In the dining room, where the bridal party and younger relatives were served, the table was centered with a bridal scene surrounded by white sweet peas and maidenhair fern. Bouquets of white sweet peas in silver bowls stood at either end, and ten tall candles in silver candle holders furnished illumination. Huge bowls of pink amaryllis and blue delphinium were used in decoration in the living room. The bride cut the first piece of the handsomely decorated bride's cake.

Mrs. Galentine, mother of the bride, wore a gown of blue lace with a corsage of pink rosebuds and sweet peas. Mrs. Bean, mother of the bridegroom, was attired in flowered black chiffon, and her corsage was of white sweet peas and maidenhair fern.

Mr. and Mrs. Bean will spend a week vacationing on Balboa island, and upon their return will be at home to their friends at 11½ North Cordova street, Alhambra.

The bride is a graduate of Chaffey high school and Chaffey junior college and received her degree of bachelor of journalism at the University of Missouri. For some time she was secretary in the offices of Doctors Craig, Weber and Williamson in Upland, and during the past two years she has been society editor on the Alhambra Post-Advocate.

Mr. Bean is the son of Mr. and Mrs. Eugene E. Bean, Sr., of Alhambra, and the grandson of the late Jacob Bean, pioneer of that city. He received his education in the Alhambra high school, the University Preparatory school in Pasadena, and Pasadena junior college, and is now a member of the staff of the Alhambra Post-Advocate.

Silver Link Circle Meets Wednesday At Swoap Home

Social meeting of Silver Link Rebekah circle will be held Wednesday at the home of Mrs. John Swoap in Cucamonga and a large number of the members are expected to attend.

A contributed dish luncheon will be served at 12 o'clock and will be followed by a pleasant social afternoon.

Dorothy Thompson and Guest Arrive From Yosemite Monday

Miss Dorothy Thompson, who is to teach English and journalism in the Live Oak Union high school at Morgan Hill during the coming year, returned to Upland yesterday and will spend several weeks here with her parents, Mr. and Mrs. James C. Thompson, 740 Washington boulevard.

Miss Thompson has just completed a course in the summer school at the University of California at Berkeley and during the past week she and her friend, Miss Florence Wohlfrom of Berkeley, enjoyed a vacation in Yosemite valley. Miss Wohlfrom accompanied her home and will visit here this week.

Miss Thompson, who has taught in the Fannie D. Noe school for the past few years, will remain here until late in September when the Live Oak school will open. Morgan Hill is between San Jose and Gilroy and is a very attractive place, Miss Thompson states.

Georgia Stark Sings In Redlands Bowl Friday Night

Georgia Stark, soprano; Nicholas Angelo, tenor; Henry Sorenson, baritone, and Richard Tetley-Cordos, pianist, will be presented in Redlands bowl Friday evening, Aug. 20, by the Redlands Community Music association. The concert, which is open to the public without charge, will begin at 8 o'clock.

Georgia Stark, possessor of a beautiful coloratura soprano voice, has appeared in opera in Italy, and has toured the United States and South America with distinguished opera companies. She was soloist for two seasons in the Hollywood bowl.

Lester Horton and his famous group of concert dancers will supply the program in the bowl this evening. The program will begin at 8:15.

* * *

Dr. Hooper and Miss March Will Leave For Their Home

Dr. Laura Hooper and Miss Mildred March, who have been visiting for a few weeks with Dr. Hooper's brother-in-law and sister, Mr. and Mrs. Hjalmar Anderson, and her mother, Mrs. Grace Hooper, will leave Friday for Newton, Mass., where they are prominently connected with the school system, Dr. Hooper being district supervisor and Miss March serving as principal of one of the schools in the district. They will be accompanied as far as Chicago by Dr. Hooper's niece, Miss Billie Hooper, who came west with her.

During their visit here Dr. Hooper and Miss March have enjoyed a number of pleasure trips and have been entertained at several social affairs at which they were greeted by numerous friends of Mrs. Anderson and Mrs. Hooper.

Members of Coterie Club Entertained At Long Beach

Mrs. W. C. Cline, who is spending the summer at Long Beach, was hostess Friday to members of the Coterie club, entertaining at her beach cottage.

A delightful luncheon was served at the noon hour and a portion of the afternoon was spent playing bridge, Mrs. G. A. Brest winning high score prize, Mrs. Maud Brogan taking consolation award and Mrs. Henry O. Blohm capturing the traveling prize.

Those enjoying the day at the beach as guests of Mrs. Cline were Mrs. Henry O. Blohm, Mrs. Maud M. Brogan, Mrs. G. A. Brest, Mrs. Perry O. Long, Mrs. William Springer, Mrs. Isabelle Wisely, Mrs. T. M. Nichols and Mrs. Gordon C. Day.

Asthma Cause Fought in 3 Minutes

By dissolving and removing mucus or phlegm that causes strangling, choking, Asthma attacks, the doctor's prescription Mendaco removes the cause of your agony. No smokes, no dopes, no injections. Absolutely tasteless. Starts work in 3 minutes. Sleep soundly tonight. Soon feel well, years younger, stronger, and eat anything. Guaranteed completely satisfactory or money back. If your druggist is out ask him to order Mendaco for you. Don't suffer another day. The guarantee protects you.

SHE LOST 20 POUNDS OF FAT

Feel full of pep and possess the slender form you crave—you can't if you listen to gossipers.

To take off excess fat go light on fatty meats, butter, cream and sugary sweets—eat more fruit and vegetables and take a half teaspoonful of Kruschen Salts in a glass of hot water every morning to eliminate excess waste.

Mrs. Elma Verille of Havre de Grace, Md., writes: "I took off 20 lbs.—my clothes fit me fine now."

No drastic cathartics—no constipation—but blissful daily bowel action when you take your little daily dose of Kruschen.

Miss Billie Hooper Honor Guest at Swim Party

Miss Billie Hooper of Chicago, who has been visiting for the past few weeks with her aunt, Mrs. Hjalmar Anderson, and her grandmother, Mrs. Grace Hooper, was the honor guest at a merry wiener roast and swim party given Saturday evening by Mrs. Anderson, Mrs. Aurthur Pehl and Mrs. James E. Goodban.

Early in the evening the group gathered in Galvin park on Fourth street in Ontario and enjoyed a wiener roast. Later they went to the Chaffey plunge for an evening of water sports and merrymaking.

Attending the party were the Misses Billie Hooper, Earline Keyes, Jeanne Pehl, Louise Atwood, Lynette Grahame, Margaret Parkin, and Jimmie Atwood, Chandler Flickinger, Jackie Christensen, Billy Karr, Alan and Dale Goodban, John and Hjalmar Anderson and the three hostesses.

DELEGATES TELL OF AUXILIARY MEETING

Legion Auxiliary Delegates to State Convention Are Home From Trip

Mrs. Anton Zenz and Mrs. Clara Jacobs, delegates from the Upland unit, American Legion Auxiliary, accompanied by Mrs. Donald W. Mosher and Mrs. C. H. Conrow of the Ontario unit, returned late Friday night from Stockton where they attended the state Auxiliary convention held there last week.

At a pre-convention session Sunday night, Aug. 8, the annual memorial service was held. The convention opened Monday morning, the preliminaries being followed by the big parade in the afternoon and drill team contest in the evening.

Business matters were taken up Tuesday and among those making reports was Mrs. E. Earl Marsh, member of the Upland unit and national committeewoman for the western division.

Election of officers was held Wednesday, Mrs. Pauline Ellison of Long Beach being named president, Mrs. Muriel Wright of Saticoy, vice-president, and Mrs. Vivian Schneider of San Fernando head of the finance committee.

Mrs. Marsh was named California delegate to the national convention to be held in New York in October.

Among the several social functions held were two breakfasts, one for unit past-presidents, which Mrs. Jacobs attended, and one for secretaries, attended by Mrs. Zenz, past secretary, in the place of Mrs. E. Earl Marsh, secretary, who was unable to attend.

The major social affair was the joint session held Tuesday night by the American Legion and the American Legion Auxiliary delegates, the feature of the evening being a variety program on which radio entertainers were presented.

At the close of the convention the four West End delegates motored to San Francisco, crossing the big Oakland bridge at night. The brightly lighted bridge with the myriad gleaming lights reflecting in the waters of the bay was a thrilling sight. The next day they crossed on the ferry to Sausilito, returning to San Francisco on the Golden Gate bridge. They also visited Golden Gate park and the famous Cliff House. A trip was made through the Presidio and Chinatown was toured, the party stopping in the Oriental cafe for a Chinese luncheon.

Leaving San Francisco, the motorists proceeded south to Santa Cruz, where they stopped for the night. The beautiful new coast highway, the San Simeon road, was followed as the motorists drove south.

LOCAL NEWS BRIEFS

Floor sander for rent by the day. Manker & Benson.—adv. 30-9

Miss Mabel A. Stanford, member of the Chaffey faculty, is spending a few weeks at Carmel. She will return home early in September.

Miss Jessie Brown has gone to Watsonville to visit for a time with her sister, Mrs. Earl Dyke. She expects to be away for 10 days or two weeks.

Mr. and Mrs. James B. Pittenger have moved to Upland from Ontario and are residing at 1559 Foothill boulevard. Mr. Pittenger is a salesman for the Alan A. Couch Chevrolet agency in Ontario.

Mr. and Mrs. C. S. Graves and family of 671 East Ninth street have returned from Long Beach where they enjoyed a week's vacation. Mr. Graves is employed by the Southern California Edison Co.

Miss Mary Holden, fiancee of John Meek, has returned to her home in San Francisco after having spent a portion of the summer with Mr. Meek's parents, Mr. and Mrs. H. C. Meek, 690 East Eleventh street.

Howard T. Mitchell, local attorney, will be the speaker at the meeting of the Upland 20-30 club in the Upland Inn tonight. His subject will be "Value of a New Idea." Mr. Mitchell is a popular speaker, having filled many engagements at various organization meetings in the Chaffey district.

Mr. and Mrs. E. C. Chapman of West street returned late Friday afternoon from an eight days vacation spent at Oceanside, where they occupied a cottage on the strand. The weather was delightful during their stay there, being neither too warm nor too cool, and they enjoyed the surf whenever they desired. Putting away the radio and all timepieces, they "let the world go by," being guided in their daily activities only by their inclinations. One day they attended the San Diego county fair at Del Mar and, recalling the thrill of a ferris wheel ride experienced in their youth, they repeated that pleasure by taking a ride on the huge wheel. Mr. and Mrs. Chapman visited his mother in Los Angeles Saturday and Mr. Chapman returned Monday to his work at the General Electric plant.

Spirella. Order now for fall foundation garments. Ph. 619-171.—adv. 32-2TO*

Miss Beatrice Topliff, daughter of Mr. and Mrs. S. G. Topliff of Red Hill, underwent an appendicitis operation today. Her condition is reported to be satisfactory.

Mr. and Mrs. Cecil M. Chambers and family have returned to Upland after a 10-day vacation at Balboa beach. Fishing was good. At least Mr. Chambers got enough to keep him at the fish and rod every day during the vacation.

Mr. and Mrs. Harold Zenz, 581 North Euclid avenue, left Saturday for a motor trip through northern California and Oregon. Mr. Zenz is clerk for the county board of supervisors and is taking his vacation. They expect to be away for a week.

Mr. and Mrs. Robert H. Allen, 224 Plaza Serena, Ontario, are parents of a son born at the San Antonio Community hospital Friday. Mr. Allen was prominent at Chaffey high school and junior college. He is the son of Mr. and Mrs. H. L. Allen and the young boy is the couple's first grandchild. The young mother formerly resided in Alhambra.

Mr. and Mrs. R. D. Jones of San Jacinto, who are spending the summer at the home of Mrs. Jones' parents, Mr. and Mrs. A. M. Hawkins, 415 West Thirteenth street, had as their guest Sunday Mr. Jones' cousin, Miss Barbara Crandall of Syracuse and Lake Casonovia, N. Y. When returning from Europe last summer Mr. and Mrs. Jones were guests of Miss Crandall and her mother at their Syracuse home and also at their summer home at Lake Casonovia. Miss Crandall is touring the west coast.

Mrs. Hays Wortham, who has been in Long Beach since the early part of the summer, has returned to the home of her parents-in-law, Mr. and Mrs. J. J. Wortham, 317 North Campus avenue. Hays Wortham, who is connected with the government agricultural inspection station at Phoenix, Ariz., during the winter months, has been located this summer at a station in Northern California. He will come to Upland in about two weeks for a visit before he and Mrs. Wortham return to Phoenix for their winter sojourn.

Mr. and Mrs. L. E. Briggs, 584 Eighth avenue, are the parents of a daughter born Saturday. The little miss has been named Norma Jeanette.

Attorney Edw. E. Gray, Mrs. Gray and their son and daughter, Robert and Barbara, left today for Balboa island, where they will spend a two weeks vacation. The Gray home on Laurel avenue will be occupied during their absence.

Licenses as operators or foremen of spraying and fumigating crews were issued by the county supervisors yesterday to the following in this district: Burkholder & Bert, Liberty Groves Oprating corporation, Gus Pickett, rank Lyons, Charles Wolf and Dwight Decker.

Mrs. Henry Livermore and family of East Arrow highway have been enjoying a visit the past week from Mr. and Mrs. James Madsen of Toronto, Canada. Mr. Madsen is a grandson of the late Henry Livermore. The visitors expect to spend some time visiting various points of interest in Southern California.

Mr. and Mrs. DeVon Francisco have gone to Flint, Mich., to accept delivery of a new car and while in Flint they will visit with Mrs. Francisco's grandmother. Enroute home they will visit at points in Nebraska and also will stop in Denver, Salt Lake City and San Francisco. They will be away for three weeks.

Mrs. S. G. Moore, 525 North Euclid avenue, is a grandmother, her son and daughter-in-law, Mr. and Mrs. Paul Moore of Berkeley, being the parents of a son born Friday evening. The proud father telephoned Mrs. Moore about the son's arrival and the news elated the Upland woman. Mr. Moore was an Upland resident until about seven years ago.

Mrs. L. R. Parkin and daughter Margaret, former residents of Alta Loma, who have resided at Edgemont, S. Dak., for the past five years, are visiting with Mrs. Parkin's uncle and aunt, Mr. and Mrs. Wayne E. Morris, 222 West Arrow highway. Mrs. Parkin and her daughter came to California in June and have been visiting since then with Mrs. Parkin's son in San Diego and her daughter in Glendale. Mrs. Parkin expects to locate permanently as soon as she can find a suitable house in the Ontario or Upland district. Mr. Parkin, who still is in South Dakota, will come out later.

PRISON SITE PRICE BEING QUESTIONED

Land Owners Oppose Selling 1300 Acres for $300 An Acre

Possibility of the state deciding to locate the first offenders' prison at some other place than on Euclid avenue, south of Ontario, is seen in the announcement of Godfrey A. Andreas, assemblyman, that if the property cannot be acquired at a satisfactory figure other sites will be considered.

A condemnation suit to acquire 1,300 acres at $300 an acre has been started by the state. An 80-acre tract adjoining the prison site, however, has been appraised at $500 an acre. Intensive opposition against the state buying the property at $300 an acre is reported to be planned by owners of the site selected for the prison and by owners of adjoining land.

While there has been no organized opposition against location of the prison in this district, many individuals have expressed the belief that establishment of the prison would tend to make the district unpopular for home sites.

Mr. and Mrs. R. H. Gale, 556 West street, have come to Upland from Reedley, California. If Mr. Gale's health improves here, they plan to make this their permanent home.

After three weeks in the San Antonio Community hospital, Ray R. Sherwood was removed to his home today. He has steadily improved following an operation and his many friends in the district will be interested to know he is able to be at home.

Oscar Welch, who is employed by Harry Nelson, Ontario blacksmith, underwent an operation for the amputation of the little finger on his left hand at the San Antonio Community hospital yesterday. The member was injured in an accident earlier in the day.

Mrs. Martin Mangold and small daughter Constance Jean of Glendale, who came out last week to visit Mrs. Mangold's parents, Mr. and Mrs. R. C. Norton, were joined here during the week end by Mr. Mangold and they are spending this week at the Norton cabin in Upper San Antonio canyon.

Mr. and Mrs. Wayne E. Morse have returned to their home at 222 West Arrow highway after an absence of about six weeks, most of that time being spent on their ranch at Gillette, Wyo. They also visited in Edgemont, S. Dak., with their nephew, L. R. Parkin, and enjoyed a fishing trip in the Big Horn mountains. They were accompanied home by Ray Gilstrap of Gillette, who expects to remain here for some time.

Mr. and Mrs. Gerald Albright of Indianapolis, Ind., will arrive wednesday for a several weeks visit with Mrs. Albright's parents, Mr. and Mrs. S. M. Jessup of West Arrow highway. Mrs. Albright, formerly Miss Anna Kathryn Jessup, is a graduate of Chaffey high school and junior college. This is her first visit here since her marriage six years ago. It will be Mr. Albright's first visit to California. Mr. and Mrs. Jessup also have their grandson, Gid Searle of Toledo, Ohio, with them for a several weeks visit.

Mrs. H. E. Cassel of 781 Third avenue broke her right arm just above the wrist when she missed her step and fell from a step-ladder at her home Friday. Instictively attempting to break the fall, Mrs. Cassel received the full weight of her body on her hand and arm, breaking the bone and painfully wrenching her shoulder. She also sustained severe bruises and shock from the fall. She was given immediate attention at San Antonio Community hospital, later returning to her home. She is now getting on very well, although her arm still is quite painful. Whether the combination of Friday, the thirteenth day of the month and the ladder had anything to do with the accident is not known, but Mrs. Cassel knows it was an unlucky day for her.

Red Cross Classes In Swimming to Open August 30

Registrations are now being made for the annual Red Cross swimming classes to be conducted at the Chaffey plunge under the sponsorship of the Upland Red Cross chapter.

The classes will be held from Aug. 30 through Sept. 4, and will be open to all who make free registration.

For further particulars those interested may see Mrs. Lottie V. Fuller or Mrs. F. H. Manker.

SOCIETY

J. L. Messenger Serves At Golden Wedding As Best Man

J. L. Mesenger enjoyed a unique experience recently when he served as best man at a golden wedding celebration in Lynwood.

The bridegroom and his bride were Mr. and Mrs. W. I. Humphreys of Lynwood, and in celebration of their anniversary they held a wedding in the Lynwood Woman's club house with 480 guests in attendance. All details were arranged as for a real wedding, with a complete wedding party, the usual wedding marches, etc., and a son of the couple gave his mother in marriage.

The ceremony was followed by the traditional wedding reception for all the guests and the occasion proved a merry as well as an impressive event.

* * *

Bleick-Crow Wedding Is Attended by Local Friends

In an informal wedding occurring Monday evening at 8 o'clock in the Wilshire wedding chapel in Los Angeles, Miss Viola Bleick, daughter of Mr. and Mrs. Charles W. Bleick of North Vine street, Ontario, became the bride of Clarence Crow of Los Angeles.

Attending the couple during the ceremony were Miss Dorothy Benson of Upland and Charles Bleick, Jr brother of the bride.

Others present for the wedding were Mr. and Mrs. Charles W. Bleick of Ontario, Miss Doris Goodban of Upland and Robert La LaLone of Santa Monica.

The bride is a graduate of both Chaffey high school and junior college and has many friends in the West End.

G. T. Embroidery Club Picnic Held at Wisely Home

The attractive picnic ground at the home of Mr. and Mrs. Roy Wisely in Bear canyon was the setting for the annual summer picnic at which the Wiselys entertained Sunday for members of the G. T. Embroidery club.

Colorful Japanese lanterns added a touch of gaiety to the scene and attractive tables were arranged for the bountiful picnic dinner.

Although illness and vacations kept some of the members away, those attending enjoyed a most delightful time.

* * *

Wedding Anniversary Is Celebrated

In celebration of the thirty-sixth anniversary of the wedding of Mrs. F. H. Manker's brother and sister-in-law, Mr. and Mrs. Jas. G. Bradford of Palmdale, Mr. and Mrs. Manker were hosts Sunday at a family dinner at their home, 603 North Second avenue.

Others attending the dinner were Mr. and Mrs. R. B. Pallett of Valyermo, Mr. and Mrs. C. M. Sikes of Ontario and Miss Lula Bradford.

Mr. and Mrs. Ralph Santolucito and family have moved from Laurel avenue to 404 Ninth avenue.

A building permit has been issued in Ontario to Joy Bradley for a new five room residence at 555 East F street.

Miss Winifred O'Brien is serving on the Upland public library staff during the two weeks vacation being enjoyed by Mrs. Geo. W. West, assistant librarian.

Miss Ann Rohrig, teacher in the Fannie D. Noe school here, underwent an appendicitis operation at the San Antonio Community hospital, her condition today being reported as satisfactory.

Mr. and Mrs. Joseph E. Fishback are occupying the residence at 232 First avenue. Mr. Fishback is superintendent in the construction of the new office for the Ontario-Cucamonga Fruit Exchange. They came here from Alhambra.

W. C. T. U. to Hold Picnic Meeting in Park Next Friday

An all-day meeting and picnic is being planned for the W. C. T. U. Friday, it is announced by Mrs. Ralph H. Marr, president.

The business meeting will be held in the morning, beginning at 11 o'clock and will be followed by the contributed dish picnic luncheon at noon. An interesting program is being prepared for presentation in the afternoon.

When to Strike

"Why is there so much striking going on?"

"The unionists seem to believe it's a good idea to strike while John L. Lewis is hot."

GRAPE PRICE IS LIKELY TO BE $25

Higher Scale Per Ton Than in 1936 Predicted by Group Leader

Price of $25 a ton for wine grapes is likely for growers in the Cucamonga district this fall, according to S. A. Hixson, president of the California Grape Growers' association. At least there is a very strong possibility of that being the figure paid by wineries for the 1937 crop and organization of all the growers into the association will assure the highest possible price, he said.

Mr. Hixson recently returned to this district from a tour of the central part of the state where he contacted growers relative to the prices and the crop outlook. The association has a membership of 124 growers representing more than 10,000 acres of grapes.

Harvesting of the crop is scheduled to be started in Cucamonga early next month. Quality of the grapes is said to be higher than usual and the production may exceed the 1936 mark.

Taxable Valuation Utility Property in County $38,215,940

A valuation roll of taxable public utility property totaling $1,003,746,210 was given final approval today by the State Board of Equalization and sent to the various county auditors for inclusion in local tax rol's.

Of the total, San Bernardino county's tax roll will benefit from intangible property amounting to $32,000 and tangible public utility property amounting to $38,183,940, the board announced.

Reductions amounting to $772,050 were allowed in the case of the Southern California Edison company on the ground that "certain specific properties had been over-assessed." A. G. Mott, director of the valuation division, explained that despite this reduction, the company's total valuation of $131,509,340 still was $5,440,940 in excess of the 1936 valuation.

The total valuation roll, as finally approved, represents an increase of approximately 5 per cent over the value set by the board in 1936, and compares favorably with the increased values of common property as determined by county assessors.

"The valuation of public utility property is one of the most important functions of the board," said Fred E. Stewart, Oakland member, "inasmuch as the values so established will determine the share of the tax burden which shall be assumed by such companies."

Mr. and Mrs. Marshall Sellman have moved from 373 Sixth avenue to 1007 East Ninth street.

CONSIDER YOUR CROPS SOLD Now!

Your crops—citrus or any other fresh fruits and vegetables—are as good as sold when they are unloaded at our packing houses. Tapping every prime market in the United States and foreign countries, our demand is always in excess of supply. Sales agents, wholesalers, retailers and consumers everywhere know that the Blue Goose trade-mark stands for quality, and quality always gets the best price.

Our growers get the advantage of a million dollar trade-mark, plus national advertising, plus the most alert and aggressive marketing organization in the fresh fruit and vegetable distributing business.

Marketing plans and methods that have paid growers all over the country will gladly be explained by our local manager if you will call at his office.

ALTA LOMA CLUB SEES CCC CAMP

Inspection Made and Program Presented at Meeting Of Group

Life as a CCC camp member is enjoyable—especially at meal time and also throughout the day and evening.

Many Alta Loma club members observed camp life last night as the group dined with the members of the CCC enrollees on Arrow highway and inspected the modernly-equipped buildings and grounds. The visitors noted the bunk houses, the recreation hall, the library and the educational building. Especially the group noted the mess hall, where a very delicious ham dinner was served.

Inspection of the camp followed the dinner and later in the recreation hall a program was presented. A WPA orchestra entertained with many selections and Boris Cherbak and Leo Cherbak were popular in their whistling and vocal numbers.

Lieutenant John R. Monnett, who is in charge of the boys while they are in camp, told of the efforts made to give the enrollees a varied, wholesome camp life. Outings are enjoyed during many of the week ends while on several nights each week the boys attend a moving picture show or other attractions.

Arthur L. Darsey, camp superintendent, who is in charge of the soil conservation project and responsible for the boys during the eight working hours five days a week, outlined the projects under way to control water and conserve the soil.

Speakers and entertainers were presented by Leslie Foster, chairman of the program commitee for the meeting.

President Arthur Allen presided during a brief business session. Discussion centered on the need for removal of the serious dip in the highway at Nineteenth street and Hermosa avenue. This is on the state highway and efforts will be made to obtain the improvement. It was reported that the county had responded to the club's request for removal of the dip at Baseline and Hermosa avenue.

In charge of the program for the next meeting of the club will be Gordon Billings, Severin Johnson and Nelson Van Fleet.

Ira V. Roth Victim Of Sudden Attack; Funeral Held Today

Succumbing to a sudden heart attack, Ira Vance Roth died at 10 o'clock Friday night at his home, 851 East Eleventh street, his death occurring within a few hours after he and Mrs. Roth had returned from a few days vacation at the beach.

Mr. Roth talked with his neighbor when he returned home late Friday afternoon and seemingly was all right at that time. The heart attack occurred just at 10 o'clock and he expired within a few minutes.

A native of Pennsylvania, Mr. Roth was 72 years old. He had lived in Upland for 31 years and formerly was an employe of the San Antonio Water Co. He was a well known member of Euclid lodge, I. O. O. F.

Surviving Mr. Roth are his wife, a daughter, Miss Maud Roth, two sons, Troy and Matheson Roth of San Diego, and a step-son, Leonard McCain of Santa Monica.

Funeral service was held at 10 o'clock this morning at the Stone chapel with the Rev. Rex E. Lawhead, pastor of the Upland Presbyterian church, officiating. Music was provided by Mrs. J. Lynward Grahame, who sang "Rock of Ages" and "Blest Be the Tie That Binds."

Pallbearers were W. E. Allen, Hugh Lamphear, Pete Genard, Sam Yeagerline, J. W. Bryden and Edw. G. Luke, all Odd Fellows.

Interment took place in Bellevue cemetery and the Odd Fellows were in charge of the graveside service.

Post and Corps to Meet for Business Sessions Thursday

Regular meetings of Ontario post of the G. A. R. and the Woman's Relief Corps will be held Thursday in the Ontario American Legion hall.

The post meeting will open at 1:30 p. m. and members of Alois Podrasnik camp, Sons of Veterans, are invited to attend.

The corps meeting will be held at 2 o'clock with the president, Mrs. Nellie Gorham presiding. The regular business session will be conducted.

Mr. and Mrs. Ralph Byer, 508 Third avenue, are the parents of a daughter born at the San Antonio Community hospital today.

Cucamonga-Alta Loma

Hamiltons Return Home

C. C. Hamilton and sons Rex and Clayton of Carnelian avenue, Alta Loma, returned late last week from a three weeks motor and camping trip in northern California and Oregon. On the northward trip they camped for a week at Big Basin and made a brief stop at San Francisco. Going into Oregon they spent several days on their ranch on the Rogue river, near Medford, where they found excellent salmon fishing. The boys also enjoyed horseback riding, saddle horses being obtained on a neighboring ranch. They also found good fishing in Crater lake, and returning to California by way of Mt. Shasta City, they included Lake Tahoe in their itinerary, enjoying both fishing and boating on the lake. Just prior to the motor trip Rex had returned from Washington, D. C., where he attended the big Boy Scout jamboree.

Fishing Trip Planned

A deep sea fishing trip is being planned by the Cucamonga Service club, August 29 being selected as the time for the big event.

Some 25 members of the club are expected to participate in the expedition and they will leave Cucamonga at about 5 o'clock in the morning, going to Newport, where they will board a chartered fishing boat bound for the briny deep where the big fishes stay.

Reservations for the trip are being made with James Martinez and William Kincaid and tickets may be secured either at the Bank of America, Cucamonga branch, or at the Cucamonga service station.

The Rev. William A. Tieck, pastor of the Cucamonga Community church, will spend a day or two of this week in Redlands, going over to consult with the pastor of the Methodist church there concerning church matters. He also will visit his parents while in Redlands.

QUOTA REMOVAL ON JAPANESE URGED

Dr. E. Guy Talbot Points Way To More Friendly Relations

Japanese are not allowed to come into the United States on the same basis as other foreigners and that fact irks the leaders of the Oriental country, Dr. E. Guy Talbott said in an address at the Upland Methodist church Sunday morning. If Japanese admission into this country were put on the same basis as other countries, there would be only about 150 allowed each year, he declared.

Dr. Talbott pointed out that this small Oriental migration would not have much effect on the population here but removal of the restriction would greatly improve the relations between the two countries. Japanese in general do not want war with the United States and the same belief is held by Americans in thinking of Japan, he said. Japan's military party is in power and there is a small element in this country who want war, Dr. Talbott said in pointing out the possibility of conflict. The speaker cited removal of the present immigration restriction as one of the most important steps in keeping peace with Japan.

Commercially, the two countries have huge business dealings with each other, according to Dr. Talbott. Japan purchases about 17 per cent of this country's cotton crop and America is Japan's biggest silk customer.

Dr. Talbott is secretary of a national organization for the prevention of war.

Etiwanda

ETIWANDA, Aug. 17—Prof. and Mrs. J. D. Taubeneck and son Ted of Bronxville, N. Y., who have been at Ft. Wingate, N. Mex., for six weeks, where Prof. Taubeneck served on the faculty at the Navajo Indian school throughout a summer session, arrived Saturday for a visit with Mrs. Taubeneck's sister, Mrs. Thomas Donnelly, and other relatives. With Judge and Mrs. Donnelly and family they attended a Dooley picnic at Ganesha park, Pomona, Sunday.

Mr. and Mrs. Geo. R. Hippard of Los Angeles spent the week end here on their Victoria avenue ranch, which was recently vacated by H. L. Stevens and family, who moved to Rialto.

Mr. and Mrs. Chas. Donnelly and children, Ralph, Sara Jean, Frederick and John, attended church services at the Montebello Congregational church Sunday and were joined by the pastor, Rev. W. I. Newman, and little daughter Ruth for a picnic dinner at the Montebello park. Ruth has recently undergone an operation for appendicitis.

Mrs. Frank Ray, Mr. and Mrs. Raymond Ray of Beverly Hills, Mrs. Washburn, Herbert and Anna Washburn of Ontario were guests of Mr. and Mrs. O. M. Harness Sunday.

Horticultural Inspector D. C. Donnelly went to Lindsay yesterday on a two days trip on county business.

Mrs. John Hawkins of San Bernardino spent Sunday with Mr. and Mrs. H. A. Allen. Mr. and Mrs. Chas. Swafford of Riverside were afternoon guests of the Allens.

Gerald Cour of Los Angeles, former Etiwanda resident, is being sent to Montana to serve as manager of a major oil company in that district. He and Mrs. Cour and daughter Jerry Ann and his mother, Mrs. Lillian Cour, leave at once for their new home.

Judge Thomas Donnelly and A. H. Ultman went to Los Angeles yesterday on business for the Etiwanda Water Co.

Prof. and Mrs. F. L. Gibson and sons, Gareth and Leonard, and daughter, Mrs. Ralph Williams, of Emporia, Kansas, were dinner guests of A. A. Werner and family Friday evening. Prof. and Mrs. Gibson remained over until Friday evening and with Mr. and Mrs. Werner and daughter Eleanor motored to Bear lake for the day. Mrs. Werner attended a luncheon in Los Angeles Sunday given by Mrs. Eva R. Fisher in honor of Mrs. Gibson and Mrs. Williams.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure.

When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages may be further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use *Doan's Pills*. They have had more than forty years of public approval. Are endorsed the country over. Insist on *Doan's*. Sold at all drug stores.

GOOD BUY FOR RIGHT NOW!

WHEN you've got this fleet-heeled, smooth-powered, man-size Buick straight-eight to put a lift into the rest of the summer, why try to squeeze out the last long mile on a car that's already ripe for retirement?

Its trade-in value, you know, isn't getting any greater.

And new car prices, as you can well understand, certainly can't be expected to go *down!*

Meantime here's this valve-in-head straight-eight Buick. Selling at the lowest prices in all its history. Actually delivering, in some models, for less than certain sixes.

And so jam-packed with stirring action and solid worth that others can't hope to match it for value—no matter what they do next!

Go see for yourself! Turn yourself loose in a Buick of today—let it show its wares in its own entrancing way—and ask yourself if you *can ever again expect* to get so very much for so mighty little money!

You bet it's a buy! It has been for months. It's a good buy for right now—if only as a hedge against the future! Call us any time for a test-ride and we'll prove our words with some lively Buick *action!*

"It's Buick again!"
